Milwaukee Business Journal

Commentary: Small business laden by income inequality, not estate tax
Palm Beach Post

As a **small-business** owner, I am watching with bewilderment the efforts in Congress to repeal the federal estate tax in order to "help out **small businesses**." This is just one more instance in which the cover of **small businesses** is being used by special ...

House votes to end estate tax, but repeal likely will die in Senate Milwaukee Business Journal

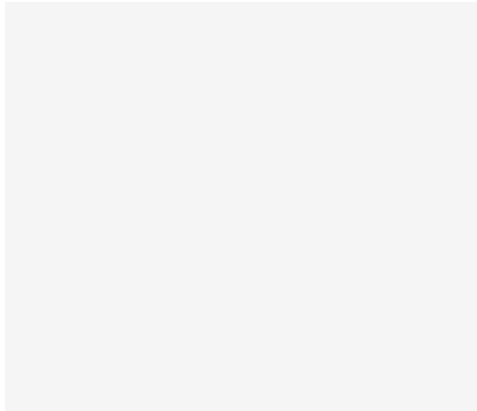

FIELD: **Small business** and the estate tax Argus Press

U.S. House passes estate tax repeal despite veto threat Business Insider Fox Business
